The Honorable Russell Hug
Mayor, City of Elgin
PO Box 128
Elgin, OR 97827

Dear Mayor Hug:

I am writing in response to your July request for additional time to revise your plan and ordinances to comply with the Statewide Planning Goals.

The Commission and Department are anxious to see your plan acknowledged and look forward to receiving your submittal at the end of this extension period. As you are aware, the Department has been more than reasonable in granting several extensions since the Commission's September 6, 1979 review of your plan. While many plans have since been approved, for those remaining, the 1983 legislature has directed the Commission to accelerate its efforts and complete the acknowledgment process by July 1, 1984. In view of this mandate, it is now Department policy that a request to exceed or any significant delay beyond your new compliance deadline of November 1, 1983 (see enclosed order) will necessitate an appearance by the City before the Commission to explain why your acknowledgment request has not been submitted.

Please contact your Field Representative, Jim Kennedy, about any questions you have regarding the enclosed order.

Sincerely,

James F. Ross
Director

BEFORE THE
LAND CONSERVATION AND DEVELOPMENT COMMISSION
OF THE STATE OF OREGON

IN THE MATTER OF
THE CITY OF ELGIN

) PLANNING EXTENSION
) ORDER 83-EXT-195

On May 2, 1979, the City of Elgin, pursuant to ORS 197.251(1), requested that its comprehensive plan and implementing measures be acknowledged by the Land Conservation and Development Commission in compliance with the Statewide Planning Goals.

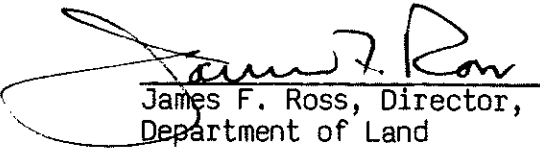

The Commission reviewed the written report of the staff of the Department of Land Conservation and Development on September 6, 1979, regarding the compliance of the aforementioned plan and measures with the Statewide Planning Goals. The Commission found that the City of Elgin's comprehensive plan and implementing measures did not comply with Statewide Planning Goals adopted by this Commission pursuant to ORS Ch. 197. The Commission granted the City of Elgin a planning extension (under ORS 197.251(7)) to July 1, 1980 to complete the work described in the report of the Commission. Additional extensions beyond the July 1, 1980 were granted to the City of Elgin on August 14, 1981, July 2, 1982 and on January 25, 1983.

On July 26, 1983 the City requested an additional 90-day extension to complete compliance revisions and request acknowledgment. As part of this request, the City provided a timetable of remaining tasks prior to acknowledgment submittal.

Now, therefore, be it ordered that the City of Elgin be granted a planning extension to November 1, 1983 to complete necessary plan and implementing measure revisions to comply with the Statewide Planning Goals based on the work schedule contained in its July 26 letter (attached).

DATED THIS 3rd DAY OF OCTOBER 1983.

FOR THE COMMISSION:

James F. Ross, Director,
Department of Land
Conservation and Development
